

# SUMMER JOB OPPORTUNITY

Are you a student studying or about to graduate from a program that deals with tough topics such as generational poverty, evangelism to unreached people, and urban and youth ministry? Are you looking for a way to enhance your current learning with real world practice and mission work? If so, a summer position at Camp Promise might be the opportunity for you!

## **Who We Are:**

Camp Promise is a registered, non-profit ministry located in Barrie, Ontario that operates year round. We are focused on reaching children, youth, and their families in the local area, with the love and saving grace of Jesus, in practical and relational ways. Barrie is a growing urban centre, one hour north of Toronto, with a diverse population of people. This summer, we're looking to expand our core staff team to include Christian university, college, and seminary students from all over Canada. If you've been looking to apply your studies to real life, grow your relationship with God, and create long-lasting relationships with people of all ages, from all walks of life, Camp Promise might be the place for you this summer. Don't let our name fool you...we more than JUST a summer camp! Summer employment may lead to long-term hire after graduation as we are looking for missionaries with child and youth experience, admin staff, media and fundraising candidates who have a heart for urban ministry, to join our team!
